## BOSTON TAKES THE SECOND AT BROOKLYN

Dodgers Start Off Fine, Getting a Lead of Two Runs Off Rudolph But Fail to Last.

BROOKLYN, July 2.—Boston took the second straight victory from Brooklyn Tuesday, winning 6 to 3. The home team started off fast, getting a lead of two runs off Rudolph. The visitors landed on Curtis in the fourth and batted him out of the box, scoring five runs on a triple, a double, a pass, two singles and an error. Yingling checked the fusillade but Rudolph tightened up in the last seven innings. Fast fielding featured the contest. Daubert and Maranville attracted special attention by their clever playing.

## PFEFFER WINS TWO FOR GRAND RAPIDS

GRAND RAPIDS, July 2.—Jeff Pfeffer pitched Grand Rapids to victory over Fort Wayne in both games of a double-header Tuesday, winning the first nine to four and the second six to three. Pfeffer did not issue a pass in either game and save for the first inning of each game kept the hits well scattered. He also had a home run and a single in the first and a two bagger in the second. Both Keener and Atkins were hit hard.

First game: Grand Rapids, 000 402 21—9 15 1; Fort Wayne, 200 010 000—4 8 0. Pfeffer and McGraw; Keener and Martin.

## MACK KNOWS HOW TO HANDLE HIS PITCHERS

It is in the handling of a pitching staff that a manager shows his worth. Take Mack for instance and he has proved himself a really wonderful manager in the way he has manipulated his pitching staff, which is principally made up of youngsters. He has held Bender and Plank in perfect form, though he has had to work them hard, and he has done so by displaying rare judgment. Callahan of Chicago did last season what Birmingham did this. By overworking his pitchers he got a big lead in the race, only to fall badly after they had been worn out.

## TO TRY FOR A RECORD

Swimmers Will Cross San Francisco Bay Next Sunday.

SAN FRANCISCO, July 2.—Duke Kahanamoku, the crack Hawaiian swimmer, Lady Lanor of southern California, and other expert men in the water will compete next Sunday with Walter Pomeroy of the Olympic club, this city, in an effort to better Pomeroy's time across San Francisco bay. Pomeroy made the distance last September in less than two hours.

GETS NEW PLACE. EVANSVILLE, Ind., July 2.—After an association of 12 years as managing editor, Earl Mushitz has severed his connection with the Evansville Journal-News to become associate editor of the Indianapolis Star.

## FIVE RUNS IN ONE INNING IS ENOUGH

Toledo Hens Go Flying and Louisville Colonels Romp Home With a 7 to 3 Game.

TOLEDO, July 2.—One bad inning proved the undoing of Pitcher George and the Toledo club here Tuesday afternoon, singles by Buemiller, Hulsburt and Weinberg, doubles by Stansbury and Niehoff and Osborne's lucky triple which Baskette misjudged, coupled with a double steal and an error by Stump netting Louisville five runs in the sixth which gave it a commanding lead.

Prior to that Toledo had driven Woodburn from the box in the fifth. A home run over the fence by Pitcher George starting the pitcher on the downward road. This was the first over the fence homer of the season.

## HOLD WOMAN FOR DEATH

Mrs. Augustus Ekman is Held But Husband Goes Free.

SALT LAKE CITY, July 2.—Mrs. Augustus Ekman, confessed slayer of her 12-year-old daughter Frances, whose body was found in a trunk at Ogden, last Saturday, was formally charged with murder in the office of the district attorney Tuesday. C. L. Anderson, the woman's first husband, with whom she was on the way to Michigan, was released from custody.

## OPEN GATES

PANAMA, July 2.—The sluice gates at the Gatun spillway were closed Tuesday to allow the water of the lake to rise to what will be its permanent level. The process is expected to take about three months.

## DAMAGES CAR

While driving his car Sunday morning on W. Joseph st., Ronald S. O'Neill had a narrow escape from serious injuries, when the car struck a telegraph pole, breaking the pole, smashing one of the lights on the auto and bending the gender.

## LEAVES TO EXPLORE CANADIAN ARCTIC

Vilhjalmur Stefansson Will Join His Ships at Nome and Start for the Northland.

SEATTLE, July 2.—Vilhjalmur Stefansson, commander of the Canadian arctic exploring expedition, sailed Tuesday on the S. S. Victoria for Nome, Alaska, to join his ships, the whaler Karluk and the gasoline power boat Alaskan.

## MOTHER PRAYS AT GRAVE

PERU, Ind., July 2.—A pathetic feature of the funeral of Harry Martin, the race driver killed last week at the Indianapolis motor speedway in trying out a new car, was the prayer offered by the driver's mother, as the coffin was being lowered into the grave. The prayer brought tears to the eyes of all assembled. The funeral was conducted by the Moose lodge of which Martin was a member.

## CIRCUS PARADES COST BIG MONEY

### Barnum & Bailey Have Searched the Entire Globe For Something New to Delight the Eyes of Spectators.

When the Barnum & Bailey circus comes to South Bend on July 18, it will present something different in the way of street pageantry. The equipment is spick and span new and it cost the management upwards of \$1,000,000 to devise and build it. The work of constructing the outfit was done in the foreign workshops of the show in England and occupied the greater part of last winter. Several hundred artisans and artists were kept busy day and night.

For the last two years the foreign agents of the show have been gathering novelties for this parade. They overlooked nothing that money could buy, unless it was too big to ship by boat. They invaded savage islands. Their expeditions extended into jungles where white men had never trod before them. They stripped art galleries and ancient palaces. They stopped at nothing. They spared no expense. The fruit of their labors cannot be expressed in words. It is a sight for the eyes.

Naturally enough this parade bears not the slightest resemblance to those of the past. It excels anything before attempted in beauty. It is world-wide in its variety. In novelty it is right up to the last tick of the clock. Every strange type of human race is found in it. Every animal recently discovered by science is displayed, in an open cage. It is a world's fair on wheels with a thousand wonders in every mile of it. Constantly passing before the eyes are the crude vehicles of savagery, the howdahs, rickshaws, palanquins and chariots of Oriental despots, carriages of state from rich empires, fanciful floats of bronze and burnished gold, engines of war, grotesque images of the pagan, Italian statuary, mythologies, spectacles, horse fairs, fairland carnivals, brass bands, barbarian orchestras, tom-tom players, weird pipers, silver chimes, cathedral organs, siren pipes, chanters, derisive, castanet ballets, kirmis scenes, fet-day tableaux and mardi-gras pageantry.

The hundreds of vehicles are built of the finest materials. They are carved by hand and embellished with pure gold leaf. The tapestry and throne rugs were woven in Persia and Turkey. The costumes were made in France. The laces are from Ireland. The scarfs, flags and banners are from Japan. In this parade are employed 1,280 people, 700 horses, 40 elephants, 30 camels and many teams of zebras, deer, dromedaries and llamas.

## BIGAMIST LONGS FOR FIRST WIFE

### Foster Gilbert on Way to Prison Looks For Woman He Says is a Good Little Girl—Regrets His Act.

DETROIT, Mich., July 2.—Foster Gilbert, Detroit bigamist, brought from Alpena to Detroit Sunday on his way to Jackson prison, where he is to serve a sentence of from two and one-half to five years for bigamy, asked Sheriff John Simmons of Alpena, as a last favor, to summon his Detroit wife to Police headquarters.

Gilbert, who was locked up in police headquarters and not taken to Jackson prison until Monday, was much disappointed at the sheriff's refusal to answer as he was when his Detroit wife, who was his first, was not on the D. and C. dock to greet him when the boat came in.

"I wanted to tell her that I am sorry that this thing ever happened," said Gilbert. "Anything that I can earn in prison I am willing to give her. She is a good little girl, and the mothers of three of my children. I wanted especially to see her because of the children, so that she might keep the family together until I get out of prison."

"I would tell you just how I happened to get mixed up with my Alpena wife and girl," Gilbert said. "She has brothers here and they might cause me trouble getting a job when I get out of prison."

"I appreciate the fact that this talk never done my first wife and children the wrong I have," concluded Gilbert, "but it is true, just the same."

Gilbert is 27 years old and his Detroit wife about 21. Gilbert has never served time before.

On Saturday, July 5, Rev. F. Rahm will observe the 25th anniversary of his pastorate of St. John's German church. The occasion will be observed with special services and a banquet and social hour.

William Skalla of Niles had his face and head severely cut at Kalamazoo when he came in contact with a water plug at the Michigan Central station. Skalla is a switchman and

## St. Mary's Grounds Not Open to Public

The authorities at St. Mary's have decided that hereafter the grounds of the institution will not be opened to the public.

Owing to the imposition of some persons who have been freely allowed the use of the grounds, this decision has become necessary. The speeding of automobiles, besides, being a menace to safety, has also aided in damaging the driveway and shrubbery.

Persons who have business with the institution, or have children in attendance there, will find no difficulty in enjoying the same privilege as in the past and they shall receive courteous attention at all times.

Visitor's Received

During the vacation months, visitors who wish to be shown through the buildings at St. Mary's will be accommodated on Tuesday's and Thursday's from 10 a. m. to 5 p. m.
